Your AI-powered Competitive Exam Preparation Companion

Powered by Artificial Intelligence

About Prep

Prep is an innovative AI-powered platform designed to help students prepare for competitive exams such as UPSC, SSC, Banking, and CAT. It goes beyond traditional learning by leveraging Artificial Intelligence to make studying smarter, more efficient, and highly personalized. Students can upload their notes, and Prep will automatically summarize the content, generate quizzes, and provide personalized learning paths. With advanced analytics, mock tests, and smart revision tools, Prep ensures that learners are always exam-ready.
